

***Thank you for downloading the latest version of ScreenIO. To get started, follow the appropriate set of installation instructions below.***

### ***New Installations of ScreenIO:***

- 1.** Copy all of the contents of the ScreenIO.zip file into the main folder that your BR application runs from.
- 2.** Start BR and type "run screenio" from the Command Console to get started.
- 3.** Check out the tutorials for FileIO and ScreenIO that can be found on <http://www.sageax.com>. Click the Products Menu and choose ScreenIO.

### ***Updating from Previous Versions of ScreenIO:***

- 1.** Copy all of the contents of the ScreenIO.zip file into the main folder that your BR application runs from. Overwrite all of the files that are in conflict except for the sample functions in the functions folder.

*Note: Take care when copying the included sample functions in the functions folder. If any of those conflict with functions that you already have, be careful not to overwrite any that you are currently using.*

- 2.** Start BR and run ScreenIO by typing "run screenio" from the Command Console.
- 3.** Depending on which version of ScreenIO you are upgrading from, you may have to Recompile all your Screens. Try to run your screens. If any of them have problems, use "Recompile All Screens" from the File dropdown menu.

### **ScreenIO License:**

This copy of ScreenIO will work without a license until December 31<sup>st</sup>, 2018. After that, you will need to get a ScreenIO license, in order to continue using ScreenIO.

A ScreenIO License is now included with all BR license purchases for BR 4.32c and above. Contact [gordon.dye@brulescorp.com](mailto:gordon.dye@brulescorp.com) to get your new license.

If you need to use ScreenIO in older versions of Business Rules, contact [gabriel.bakker@gmail.com](mailto:gabriel.bakker@gmail.com). A special license file is available that will activate ScreenIO for previous versions of Business Rules.

*For advanced configurations or if you have any questions, don't hesitate to contact me at [gabriel.bakker@gmail.com](mailto:gabriel.bakker@gmail.com) or (469) 223-5476.*
